

CSSE PEER ADVISOR JOB OPENING

Apply to become a Peer Advisor at the Center for Student Success in Engineering. CSSE is looking for engineering sophomore/junior students to serve as a CSSE Peer Adviser for lower-division undergraduate engineering students. We need candidates who would like to help others and work in a team environment. CSSE Peer Advisers are essential in helping engineering students transition into their program of study and provide advice on general questions about the college, and it's courses.

Qualifications:

- Sophomores (with 45+ completed units) or Junior SDSU engineering major
- Knowledge of applicable university and college of engineering, policy, and procedures
- Knowledge and experience with using the Webportal Degree Evaluation and SDSU general catalog are required
- An understanding and experience using the CoE curriculum guides
- Must be an Engineering major
- Must be able to use Google Calendar, Google Suite, and Microsoft suite
- Must be able to conduct student appointments via Zoom and in person
- Must be academically successful with having at least a 2.7 GPA
- Must be available to work summer orientation from mid-July through early August
- Must be available to work in the fall/spring and summer semesters at 10-15 hr per week
- Must be reliable, professional, and trustworthy

Starting Pay is \$15.00 hr and general working hours are between Monday through Thursday 9:00 am to 6:00 pm, and Friday 9:00 am to 2:00 pm
